JOB REQUIREMENTS:

JOB REQUIREMENTS	
Formal Education/ Knowledge	Work requires broad knowledge in a general professional or technical field. Knowledge is normally acquired through four years of college resulting in a Bachelor's degree or equivalent.
Experience	Minimum three years experience in a related field.
Certifications and Other Requirements	Valid Driver's License.
Reading	Work requires the ability to read and comprehend budget reports, technical manuals, policy and procedure, development agreements, and Council actions at a college level.
Math	Work requires the ability to perform general and advanced math. Some work may require complex problem solving using algebra, present/future value concepts, trend analysis, statistical relationships, capital budgeting, financial formulas, and cost benefits analysis.
Writing	Work requires the ability to produce written documents with clearly organized thoughts using proper English sentence construction, punctuation, and grammar; write memos, letters, reports, budget documents, performance evaluations, spreadsheets, and Council actions.
Managerial	Semi-Complex- Work requires supervising and monitoring performance for a regular group of employees including providing input on hiring/disciplinary actions and work objectives/ effectiveness, performance evaluations, and realigning work as needed. A first line supervisor typically performs these functions.
Budget Responsibility	Significant - Oversees budget preparation of a program budget. Reviews and approves expenditures of significant budgeted funds for the department or does research and prepares recommendations for city-wide budget expenditures.
Policy/Decision Making	Significant - The employee normally performs the job by following established standard operating procedures and/or policies. There is a choice of the appropriate procedure or policy to apply to duties. More complex work as well as decisions with more significant impacts are typically reviewed prior to being finalized
Technical Skills	Limited Application - Work requires advanced skills and knowledge in approaches and systems, which affect the design and implementation of major programs, solutions for highly complex issues, and/or processes organization-wide. Independent judgment and decision-making abilities are necessary to apply technical skills effectively.
Interpersonal/Human Relations Skills	High- Interactions at this level usually impact the implementation of policies. Contacts may involve interpretation of how policies are implemented and may require discussion and the support of controversial positions or the negotiation of sensitive issues or important presentations. During interactions on policy implementation, contacts may also involve stressful, negative interactions requiring high levels of tact and the ability to respond to aggressive interpersonal interactions.

EXPECTED BEHAVIOR:

Manager/Supervisor – Expected Behavior

The incumbent is expected to embrace, support, and promote the City's core values, beliefs, and culture, which include but are not limited to the following:

- Be positive. Do not participate in gossip or allow gossip or negative comments
- Make time for your employees.
- Maintain confidentiality
- Ensure work plans are prepared and communicated to employees at the time of hire and subsequent dates.
- Ensure evaluations in your area are turned in on time, and are fair and accurate reflections of the work performed for the entire evaluation period.
- Ensure all new employees are trained and mentored
- Prepare career plans. Ensure tools/resources are available for employees to achieve goals
- Walk the talk – be an advocate for the Goodyear culture
- Make communication within your department a top priority
- Encourage positive feedback
- Be accountable – submit responses to all requests for information by due date and meet deadlines.
- Support a learning environment
- Be on time for all meetings
- Be a champion of the cities policies and procedures and the classification and compensation program.
- Create and implement ethical standards for your worksite
- Respond to personnel issues immediately
- Ensure employees are allowed to participate in teams and have time to do so
- Prepare and update standard operating procedures, and departmental operation plans annually.
- Ensure that your employees have the necessary resources they need to be successful within budgetary constraints.
- Be accountable for monthly/annual budget expenditures and be fiscally responsible
- Monitor department accomplishments related to performance indicators
- When wrong, state so
- Discussing and planning should be followed up with action
- Let common sense prevail
- Motivate your employees – provide positive feedback
- Be visionary – anticipate issues
- Mentor and build internal capacity in order for the employees to be able to compete
- Support organizational change
- Support the City's values and mission
- Establish and maintain positive and effective working relationships with co-workers, supervisors, subordinates, contractors, and vendors.
- Understand and interpret City policies and procedures, and make rational decisions/recommendations in accordance with established policy.
- Work in a safe manner and report unsafe activities and conditions. Follow the City-wide safety policy and practices and adhere to responsibilities concerning safety prevention, reporting, and monitoring. Safety is everyone's responsibility. Make it a critical part of the day to day operations
- Encourage teamwork and participation by all employees

City of Goodyear, Arizona

- Lead by example
- Provide outstanding customer service to internal and external customers

These traits are not basic job requirements but are expected behavior. Other duties and responsibilities will be performed as assigned.
